SH330 A true classic

- **Independent double-sided headband adjustment** and ergonomic side support for individually preferred positions and maximum comfort
- **Noise Canceling** blocks out a great amount of ambient noise, making your voice easier to understand
- Ideal for professionals who need to keep in touch with what is going on around them and for extended periods of use

The SH 330 is a lightweight, all purpose monaural headset ideal for longer conversations. It is the stylish and high-quality solution for users who value great comfort and top speech quality in any professional situation.

- **ActiveGard™** safeguards the user from the effects of an acoustic burst
- **Self-adjusting ball-mounted speaker capsule** allows perfect fitting to the head
- **300° adjustable microphone boom** allows the mic to be positioned exactly for optimal speech clarity. Teflon® washer support increases positioning accuracy, stability and ensure optimal durability.
- Special **acoustic foam ear pad** optimizes sound penetration around the center of the cushion and into the ear canal while minimizing leakage. The sound remains superb whether using the **leatherette** or **foam ear pad**.
